

DATUM STARTER

Horizontal Automatic Levelling Laser

The Datum STARTER Automatic Laser Level is a visible horizontal rotating Laser Level. Utilising a high quality 2 axis electronic sensor for fast automatic levelling, it offers an easy 1 button set up.

The Laser features an out of level warning indicator to show if the Laser has been disturbed or knocked, plus a simple slope facility in manual mode.

Supplied complete with a Laser Detector, Clamp, Battery Pack, Alkaline Battery Housing Door and Carry Case.
